

The image shows the back of a dark grey backpack. It features a large, textured mesh panel in the center, which is highlighted by a white rectangular box. The mesh has a hexagonal pattern. Above the mesh, there are two horizontal grey straps. On the sides, there are vertical grey straps with buckles. At the bottom, there are two mesh pockets. The overall design is functional and appears to be made of a durable material. The text "TT - 70x100 mm" is centered within the white box.

TT - 70x100 mm
